Change of opinion
It's not mentally
You run away
Do not go away

Change of opinion
It doesn't matter
You are never
OK with me

Change of opinion
It is not opposing
You are not mature
For your age

Change of opinion
Take your hand
I didn't do anything to you
Go away

Don't count on me anymore
To always be on your back
Go elsewhere
'' Don't take me back ''
